Dear Business Leader,

I am writing to you today to ask for your support of activities at Ridenour Acres, Steuben County's premier outdoor attraction in the fall!

Ridenour Acres is a proud family-owned and operated farm that has been providing fun and educational experiences for people of all ages for over 10 years. We offer a variety of events throughout the fall, including our popular corn maze, pumpkin patch, live music, and hayrides just to name a few. We also host a variety of special events, such as our annual Crafts in the Country weekend and adults only Corn Maze and Cocktails events.

We are excited to announce that we are planning a number of events for the fall of 2023 and we would like you to be a part of it as we are looking for supporters to help make them a success. We trust that contributions by community supporters like yourself is a great way for our farm to expand for the 10,000 annual visitors a year to attract more visitors to Steuben County and to promote your business. As a supporter, you will receive a variety of benefits all outlined on the Levels Form.

We believe that your involvement in these events is a great way to reach a large audience and to build brand awareness. We are offering a variety of support levels to fit your budget.

To learn more about sponsorship opportunities and/or secure your spot today, contact me at [brett@tinytphotography.com](mailto:brett@tinytphotography.com) or 260.316.5479 to reserve your spot today!
